

Policy ... Equal Opportunities

The Fun Factory is committed to taking positive and proactive steps to ensure that we provide a safe and caring environment, free from discrimination, for everyone in our community.

The Fun Factory's equal opportunities procedures aim to help everyone involved in the Fun Factory to counteract and eliminate both direct and indirect discrimination in decision making, employment practices and service provision and to ensure that our services strive to achieve equality of opportunity for all. We aim to provide a welcoming and caring environment that promotes and reflects cultural and social diversity and is equally accessible to all. The Fun Factory will endeavour to challenge any offensive behaviour, language or attitudes with regards to race, ethnicity, nationality, class, religion, culture, gender, language, sexual orientation and disability.

The Fun Factory recognises that achieving the objectives of our equal opportunities policy relies on the active involvement of parents/carers, as set out in the Partnership with Parents/Carers policy. As such, the Fun Factory will both welcome and encourage parents and carers to get involved in the running of the Fun Factory, with ideas/input around activities and opportunities. The Fun Factory will facilitate regular opportunities for consultation with parents/carers about the service that we provide, as a means of monitoring our overall value and fitness for purpose to our community at large, including equality of opportunity.
